

Table of Contents

Foreword	1
Chapter 1 Project Background	2
1.1 Changxing County Profile	2
1.2 Rapid Rising of Tourist Industry	2
1.3 Traffic in County Territory to be Improved Greatly	4
Chapter 2 Project Orientation and Design Concept	5
2.1 Current Condition Analysis	5
2.2 Basic Functions of Project	8
2.3 Project Orientation —1 st Scenic Road around Taihu Lake	9
2.4 Design Concept —Separation of Scenic Function and Transportation Function	12
2.5 Comparison of Two Plans	13
Chapter 3 Linearis of Binhu Scenic Grand Road	15
3.1 References of Designed Road Linearis	15
3.2 Road Linearis and Demonstration	19
3.3 Bicycle Path	25
3.4 Road Section	26
3.5 Bridges	27
3.6 Ecologic Road	28
Chapter 4 Function Nodes and Supporting Facilities	29
4.1 Function of Main Nodes	29
4.2 Node 1: Jiapu	30
4.3 Node 2: Chendu Port	40
4.4 Node 3: Xintang	47
4.5 Node 4: Yangjiapu	55
4.6 Node 5: Shibeitou	62
4.7 Node 6: Tuying	69
4.8 Tourist Facilities	74
4.9 Infrastructure	74

Chapter 5	Scenic Control along the Road	76
5.1	Subarea Control	76
5.2	Control of Remained Driveway	78
5.3	Road Junction Control	79
5.4	Vehicle Speed Control	81
5.4	Treatment of Special Facilities	81
5.5	Water Quality Control	83
5.6	Architectural Style Control on Both Sides of Road	83
5.7	Lighting Control	84
5.8	Building Materials and Plants	84
Chapter 6	Development of Key Nodes	87
6.1	Growth Management and Node Type Development	87
6.2	Jiapu	89
6.3	Xintang	91
6.4	Tuying	94
Chapter 7	Management and Operation of Binhu Scenic Grand Road	96
