

Treasurer

Ramona Mattix, AICP

Having served as Treasurer of the Women's Division for the last two terms, I am putting forth my name for a third term. I have submitted yearly budget reports on time as well as the quarterly reports. I have developed the templates for the APA reporting and know the system, so I feel I can serve the Division well in this function. I have been a member of APA for 21 years and an AICP member for 17 years. I am also a member of the pool of PAB site visitors and have been on the review team for two accreditation reviews since 2002. I hope to continue to assist the Division in the capacity of Treasurer.
